Dear Parents/Guardians,

We are writing to share with you that from the Spring term 2025, we will be working in partnership with Premier Education to delivery our Wrap around care service from breakfast to after school club. We are extremely excited to be working in partnership with Premier Education to be able to offer high quality care outside of the school day.

Here is some key information which we hope you will find useful:

Premier Education is the largest children's coaching company of its kind in the UK, delivering to over 9 million children in the last 12 months alone. As a founding member of UK Active Kids, and the first organisation of its kind to be awarded the highly prestigious Quality in Study Support (QISS) kite mark, Premier works closely with schools across the country to inspire children to live a healthy, fit and fun life. Premier's mission is to create a premium, Ofsted registered Wrap Around Care facility, providing high quality out-of-school-hours care for the children who attend our school. The Breakfast and After school sessions will provide a range of stimulating and creative activities in a safe, secure and fun environment, providing an outstanding service for busy parents. The breakfast and after school care will be available every day the school is open as an extension of the school day. With this in mind, it has been designed to run smoothly, whilst reflecting the school's outstanding quality.
