

## Computing Long Term Plan 2025-2026

		<b>Autumn 1</b>	<b>Autumn 2</b>	<b>Spring 1</b> Safer Internet Day on 10 <sup>th</sup> February 2026		<b>Spring 2</b>	<b>Summer 1</b>	<b>Summer 2</b>
Early Years 2032/33 cohort	PM	<a href="#">Barefoot</a> 'Who Owns This'	<a href="#">Barefoot</a> Autumn	<a href="#">Barefoot</a> Winter Warmers	Avatars	<a href="#">Barefoot</a> Springtime	<a href="#">Barefoot</a> Super Space or People Who Help Us	<a href="#">Barefoot</a> Summer Fun
Year 1 2031 cohort	PM	<a href="#">Technology All Around Us</a> combined with <a href="#">IT Around Us</a>	<a href="#">Digital Painting</a> using 2Paint and 2Paint a Picture	<a href="#">Digital Writing</a> using 2Create a Story on PCs	Online Info	<a href="#">Pictograms</a> using 2Count	<a href="#">Moving a Robot</a> using Beebots and emulator on PCs	<a href="#">Robot Algorithms</a> using Beebots and emulator on PCs
Year 2 2030 cohort	WP fonts	<a href="#">Making Music</a> using Chrome Musiclab on CBs	<a href="#">Digital Photos</a> using iPad camera	<a href="#">Digital Writing</a> using Google Docs on PCs	Health & Well- being	<a href="#">The Internet</a>	<a href="#">Digital Storytelling</a> using ScratchJr on iPads	cont.
Year 3 2029 cohort	WP layout	<a href="#">Animation</a> using 2Animate	<a href="#">Sequence in Music</a> using Scratch	<a href="#">Systems &amp; Searching</a>	Privacy & Security	<a href="#">Google Slides</a> Adapted DTP unit	<a href="#">Engineering Project</a> using Crumbles with CBs	cont.
Year 4 2028 cohort	WP Touch Type	<a href="#">Photo Editing</a> using Photopea online	<a href="#">Branching Databases</a> using 2Question	<a href="#">Repetition in Shapes</a> using Logo	Cyber bullying	<a href="#">Data Logging</a> Coding for Climate Change using Micro:bits	<a href="#">Audio Editing</a> using Audiomass on Chromebooks and Easispeaks	cont.
Year 5 2027 cohort	WP Blogs	<a href="#">Vector Drawing</a> using Google Drawings	<a href="#">Selection in Quizzes</a> using Scratch	<a href="#">Selection in Physical Computing</a> using Crumbles	Self-image & Identity	cont.	<a href="#">Spreadsheets</a> using Google Sheets	<a href="#">Video Editing</a> using iMovie on iPads and Green screen app DoInk
Year 6 2026 cohort	WP Extra	<a href="#">Communication</a> using Google Docs or Slides	<a href="#">Variables in Games</a> using Scratch	<a href="#">3D Modelling</a> using Tinkercad	Online reputation & rels.	cont.	<a href="#">Early Warning Systems</a> Coding for Climate Change (Micro:bits)	<a href="#">Web Page Creation</a> using Google Sites

WP is focus on word processing/touch typing along with copyright and ownership content.

Each year group also has different Project Evolve focus for Spring Term.

Year 1 only use PCs with generic login and iPads. Y2 onwards use personal Google accounts.

Creative Media	Programming
Computer Systems & Networks	Data & Information

**Learning, Loving, Living in God's Family**

*"But I am like an olive tree flourishing in the house of God; I trust in God's unfailing love forever and ever. Psalm 52:8*
