Sports Premium 2019-2020

We are committed to ensuring everyone develops competence to excel in a broad range of physical activities. We aim to ensure that pupils are physically active for sustained periods of time as well as engage in competitive sports and activities. We aim that all pupils will lead healthy, active lives. At St Nicholas school, PE and sports are a central part of our curriculum both in school and through extra curriculum activities and this has been recognised through the Gold Sports Mark award.
