

26th June 2026

Our Value this half term is Justice

Dear Parents, Carers and Pupils,

Thank you all very much for your support and understanding this week while we have faced considerable challenges due to a break in and the heat wave. We are very proud of how all the children have coped and we really appreciate the kindness and patience of the whole school community each day.

We are back to normal school times next week, with everyone finishing at 3:15pm (FS & KS1) and 3:20pm (KS2). It looks as though we're still going to have warm, sunny weather though so a reminder to please put **long lasting sun cream** on your children before school and to make sure they have a **refillable water bottle** and **sun hat** with them. Thank you.

Summer Fete Our Summer Fete was a great success last Friday. Thank you to all of you who contributed, helped on the day and came along to support the event. We raised a wonderful **£870.60** for the school and couldn't have done it without you!

Watching videos: Children love to watch videos and YouTube is always a firm favourite! But sometimes children can be exposed to videos that are not meant for them. [YouTube Kids](#) is a safer way for children to explore their interests. You can find more information about this on [Library | The National College](#) and you can set filters on YouTube following [these instructions](#).

Diary Dates
